Welcome to the Georgia Child Support Commission Website

The Georgia Commission on Child Support consists of fifteen members, appointed by the Governor. The duties of the Commission are outlined in O.C.G.A. § 19-6-53 and include establishing and regularly reviewing child support guidelines, development and maintenance of the Georgia Child Support Calculator, recommending legislation, providing training throughout the State to judges, attorneys, and the public, and many other duties.

Purpose: "There is created the Georgia Child Support Commission for the purpose of studying and collecting information and data relating to awards of child support and to create and revise the child support obligation table. The commission shall be responsible for conducting a comprehensive review of the child support guidelines, economic conditions, and all matters relevant to maintaining effective and efficient child support guidelines and modifying child support orders that will serve the best interest of Georgia's children and take into account the changing dynamics of family life. Further, the commission shall determine whether adjustments are needed to the child support obligation table taking into consideration the guidelines set forth in Code Section 19-6-53. Nothing contained in the commission's report shall be considered to authorize or require a change in the child support obligation table without action by the General Assembly." O.C.G.A. § 19-6-50

The banner features the Georgia state seal on the left, followed by the text "Georgia Child Support Calc". Below the text is a row of four images: a pair of hands holding a baby's feet, a man kissing a baby on the forehead, the Georgia state seal, and a set of scales of justice. A map of Georgia is visible in the background on the right side.

Welcome to the Georgia Online Child Support Calculator.

The Georgia Child Support Calculator has been developed and made available by the Georgia Commission on Child Support as the official calculator for Georgia's Child Support Guidelines statute found at O.C.G.A. §19-6-15. Information entered in the calculator is used to determine a presumptive amount of child support that may be deviated from to reach a final child support amount. Printable electronic forms are produced for filing with the court consisting of a Worksheet and Schedules. Begin by entering information for your Worksheet on the Basic Information Worksheet tab. Helpful instructions are included to assist as you navigate the calculator.

Announcement

The two Excel child support calculators and the EZ paper worksheet will be discontinued effective September 30, 2018. Make the transition today to the Online Child Support Calculator by clicking Signup above.
